“He who knows the truth
of the body will come to
know the truth
of the Universe.”

-5000 Year
Golden Chain of Masters

“God is in your spine.”
-Paramahansa Yogananda

“I don't care who your God
is. If you do this, you will
meet Him!”

-Goswami
Sunvata Saraswati

Kriya Yoga is a system of meditation and gentle movements that cultivate and circulate internal energy to change body and brain chemistry, activating higher levels of awareness and the associated spiritual experiences. Kriya can be practiced by anyone regardless of age or health condition. There is no need for difficult postures and can be done sitting in a chair.

Master Teacher Jeffrey Boehme was initiated into the Jyoti Lineage of Babaji's Tantric Kriya Yoga by Goswami Sunyata Saraswati. After years of dedicated practice, Jeff was charged with the responsibility of teaching this Kriya science and initiating others.

In his over two decades of spiritual training, Jeff has also studied and taught Chi Kung, Qabalah, Western Esotericism, Tibetan and Taoist Yoga and Sound Current Meditation. He has combined these teachings into a very powerful, practical, down-to-Earth system imbued with his omnipresent sense of humor. Master Teacher Boehme authored Blueprint for a Golden Society and is currently working on a second book.

Drop-ins welcome! \$10 per class. No experience necessary! Chairs will be provided as needed.
